JACKSPEED CORPORATION LIMITED

Dear Sir/Madam

#### THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

##### 1. INTRODUCTION

- 1.1 The Directors are convening an AGM of the Company to be held on 22 June 2015 to seek the approval of the Shareholders for the proposed renewal of the Share Purchase Mandate.
- 1.2 We refer to (a) the Notice of the AGM dated 5 June 2015 (the “**Notice of AGM**”) convening the AGM to be held on 22 June 2015 and (b) Ordinary Resolution No. 7 under the heading of “Special Business” set out in the Notice of AGM.
- 1.3 The purpose of this Circular is to provide Shareholders with information relating to the above-mentioned proposal to be tabled at the AGM.
- 1.4 The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Circular.

##### 2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

###### 2.1 The Share Purchase Mandate

Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by the Companies Act, the Articles and the Listing Manual and such other laws and regulations as may, for the time being, be applicable.

It is a requirement of the Companies Act that before a company purchases or acquires its own shares, its articles of association must expressly permit the company to purchase or otherwise acquire the shares issued by it. Article 16 of the Articles empowers the Company to purchase or otherwise acquire any of its issued Shares on such terms as the Company may think fit and in the manner prescribed by the Companies Act. It is also a requirement that a company which wishes to purchase or acquire its own shares should obtain approval of its shareholders to do so at a general meeting of the shareholders.

---

## LETTER TO SHAREHOLDERS

---

At the EGM of the Company held on 26 June 2013, Shareholders had approved the Share Purchase Mandate to enable the Company to purchase or otherwise acquire the issued shares on the terms of that mandate. The Share Purchase Mandate was subsequently renewed at the AGM of the Company held on 24 June 2014. The rationale for, the authority and limitations on, and the financial effects of, the Share Purchase Mandate were set out in the Company's circular to Shareholders dated 10 June 2013. As the Share Purchase Mandate will expire on the date of the forthcoming AGM, being 22 June 2015, the Directors propose that the Share Purchase Mandate be renewed at the forthcoming AGM.

Approval is being sought from Shareholders at the AGM for the renewal of the Share Purchase Mandate. If approved, the authority conferred by the renewed Share Purchase Mandate will take effect from the date of the AGM and continue in force until the date on which the next AGM is held or required by law or by the Articles of the Company to be held, unless prior thereto, purchases or acquisitions of Shares by the Company pursuant to the renewed Share Purchase Mandate have been carried out to the full extent mandated, or the authority conferred by the renewed Share Purchase Mandate is revoked or varied by Shareholders in a general meeting. The Share Purchase Mandate will be put to Shareholders for renewal at each subsequent AGM of the Company.

### 2.2 Rationale for the Share Purchase Mandate

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) In line with international practice, the Share Purchase Mandate will provide the Company with greater flexibility in managing its capital and maximising return to its Shareholders. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner;
- (b) In managing its business, the Group strives to increase Shareholders' value by improving, *inter alia*, the ROE and a share purchase is one way by which the ROE may be enhanced;
- (c) Share purchases may help mitigate short-term market volatility in the Company's share price, offset the effects of short-term speculation and bolster Shareholder confidence;
- (d) Insofar as it is permitted by law, the Share Purchase Mandate will permit the Directors to undertake Shares purchases which will enable the Directors to utilise the Shares which are purchased or acquired and held as treasury shares to satisfy the Company's obligation to furnish Shares to participants under the ESAS, thus giving the Company greater flexibility to select the method of providing Shares to its employees which would be most beneficial to the Company and its Shareholders;
- (e) All things being equal, purchases or acquisitions of Shares pursuant to the Share Purchase Mandate will result in a lower number of issued Shares being used for the purpose of computing EPS, if the purchased Shares are subsequently cancelled or during the period such Shares are held as treasury shares. Therefore, Share purchases under the Share Purchase Mandate will improve the Company's EPS, which in turn is expected to have a positive impact on the fundamental value of the Shares;

---

## LETTER TO SHAREHOLDERS

---

- (f) Shares purchased under the Share Purchase Mandate will enable the Directors to utilise the Shares which are purchased or acquired and held as treasury shares to be sold for cash or transferred as consideration for the acquisition of shares in or assets of another company or assets of a person, which may be less dilutive than if new Shares were issued for this purpose; and
- (g) The Share Purchase Mandate will provide the Company the flexibility to undertake share repurchases at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

The purchase or acquisition of Shares will only be undertaken if it can benefit the Company and Shareholders. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full limit as authorised. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position of the Group as a whole.

### 2.3 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Purchase Mandate are summarised below:

#### 2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate shall not exceed ten per cent. (10%) of the total number of issued Shares of the Company as at the date of the last AGM before the resolution authorising the Share Purchase Mandate is passed or as at the date on which the resolution authorising the Share Purchase Mandate is passed, whichever is the higher. Any Shares which are held as treasury shares will be disregarded for purposes of computing the 10% limit.

Based on 251,043,579 issued Shares as at the Latest Practicable Date, the purchase by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition of 25,104,000 Shares (rounded down to the nearest 1,000 Shares).

#### 2.3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the AGM, at which the Share Purchase Mandate is approved, up to the earliest of:

- (a) the date on which the next AGM is held or required by law to be held;
- (b) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by Shareholders in general meeting.

---

## LETTER TO SHAREHOLDERS

---

The Share Purchase Mandate may be renewed at each AGM or other general meetings of the Company.

### 2.3.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchase(s) ("**Market Purchase**"), transacted on the SGX-ST through the ready market or the special trading counter on SGX-ST trading system, through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (b) off-market purchase(s) ("**Off-Market Purchase**") effected pursuant to an equal access scheme in accordance with Section 76C of the Companies Act.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
  - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
  - (ab) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
  - (ac) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed share purchase;
- (4) the consequences, if any, of share purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;

---

## LETTER TO SHAREHOLDERS

---

- (5) whether the share buy-backs, if made, could affect the listing of the Company's equity securities on the SGX-ST;
- (6) details of any share buy-backs made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of the shares purchased, the purchase price per share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (7) whether the shares purchased by the Company will be cancelled or kept as treasury shares.

### 2.3.4 Purchase Price

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares,

in each case, excluding related expenses of the purchase, or acquisition (the **"Maximum Price"**).

For the above purposes:

**"Average Closing Price"** means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporation action that occurs after the relevant five-day period;

**"date of the making of the offer"** means the date on which the Company makes an offer for the purchase or acquisition of Shares from holder of Shares, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

## 2.4 **Status of Purchased Shares**

Shares purchased or acquired by the Company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

---

## LETTER TO SHAREHOLDERS

---

### 2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

#### 2.5.1 Maximum holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

#### 2.5.2 Voting and other rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury shares into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

#### 2.5.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-over Code):

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under the Listing Manual, the Company must immediately announce any sale, transfer, cancellation and/or use of treasury shares held by it stating the following:-

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;
- (iii) number of treasury shares sold, transferred, cancelled and/or used;

---

## LETTER TO SHAREHOLDERS

---

- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

### 2.6 Source of Funds

The Company intends to use internal sources of funds, external borrowings or a combination of internal resources and external borrowings to finance the purchases or acquisition of the Shares. The Directors do not propose to exercise the Share Purchase Mandate in such a manner and to such an extent that the liquidity and capital adequacy position of the Group would be materially affected.

### 2.7 Solvency Test

Under the Companies Act, the Company may not enter into any share buy-back transaction unless it is solvent. For the purpose of the definition of “**solvent**”, a company is solvent if:

- (a) the company is able to pay its debts in full at the time of the payment for any Share purchased or acquired pursuant to the Share Purchase Mandate and will be able to pay its debts as they fall due in the normal course of business during the period of twelve (12) months immediately following the date of the payment; and
- (b) the value of the company’s assets is not less than the value of its liabilities (including contingent liabilities) and will not after the proposed purchase or acquisition, become less than the value of its liabilities (including contingent liabilities).

### 2.8 Financial Effects

The financial effects arising from a purchase or acquisition of Shares pursuant to the Share Purchase Mandate on the Group and the Company will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the consideration paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effect on the audited financial statements of the Group and the Company will depend, *inter alia*, on the factors set out below:

#### 2.8.1 Purchase or Acquisition out of Profits and/or Capital

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company’s profits and/or capital so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

---

## LETTER TO SHAREHOLDERS

---

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

### 2.8.2 Number of Shares Acquired or Purchased

Based on 251,043,579 issued Shares as at the Latest Practicable Date, the purchase by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition of 25,104,000 Shares (rounded down to the nearest 1,000 Shares).

### 2.8.3 Maximum Price Paid for Shares Acquired or Purchased

In the case of Market Purchase by the Company and assuming that the Company purchases or acquires 25,104,000 Shares at the Maximum Price of S\$0.0860 per Share (being the price equivalent to 5% above the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 25,104,000 Shares is approximately S\$2,159,000 (excluding brokerage, commission, applicable goods and services tax and other related expenses).

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 25,104,000 Shares at the Maximum Price of S\$0.0983 per Share (being the price equivalent to 20% above the Average Closing Price of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 25,104,000 Shares is approximately S\$2,468,000 (excluding brokerage, commission, applicable goods and services tax and other related expenses).

### 2.8.4 Illustrative Financial Effects

**For illustrative purposes only**, based on the basis of the assumptions set out above, and based on audited financial statements of the Company and the Group for the financial year ended 28 February 2015, and assuming that (i) Shares purchases are made to the extent aforesaid; (ii) such Shares purchases are funded wholly by internal resources within the Group; and (iii) the Company had purchased 25,104,000 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) on 28 February 2015 by way of Shares purchases made entirely out of capital, the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Company and Group for the financial year ended 28 February 2015 would have been as follows:

**Note:** The Company will not be making any purchase of Shares entirely out of profits as there are no retained profits for FY2015.

## LETTER TO SHAREHOLDERS

---

Shareholders should note that the financial effects, based on the respective aforementioned assumptions, are for illustrative purposes only. In particular, it is important to note that it is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions that may be made pursuant to the Share Purchase Mandate on the NTA per Share and EPS as the resultant effect would depend on the factors such as the aggregate number of Shares purchased, the purchase price paid at the relevant time, and the amount (if any) borrowed by the Company to fund the purchases or acquisitions. The above analysis is based on historical numbers as at 28 February 2015, and is not necessarily representative of future financial performance.

It should also be noted that purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate would only be made in circumstances where it is considered to be in the best interest of the Company, and the purchases or acquisitions of Shares may not be carried out to the full 10% as mandated. Further, the Directors would emphasise that they do not propose to carry out Share Purchase to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or the Group, or results in the Company being delisted from the SGX-ST. The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share purchase before execution.

### 2.9 Listing Rules

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) must include, *inter alia*, the details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, and the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

The Listing Manual does not expressly prohibit any purchase or acquisition of its own shares by a listed company during any particular time or times. However, as the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price-sensitive development has occurred or has been the subject of a decision of the Directors until such time as the price-sensitive information has been publicly announced or disseminated in accordance with the requirements of the Listing Manual.

---

## LETTER TO SHAREHOLDERS

---

In particular, in line with Rule 1207(19)(c) of the Listing Manual, the Company and its officers should not and will not deal in the Company's securities during the period commencing one month before the announcement of the Company's half year and full year financial statements.

The Listing Manual requires a listed company to ensure that at least 10% of any class of its listed securities (excluding treasury shares, preference shares and convertible equity securities) be held by public shareholders. As at the Latest Practicable Date, approximately 40.59% of the issued Shares are held by public shareholders. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

### 2.10 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

#### 2.10.1 Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Take-over Code. If such increase results in the change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

#### 2.10.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following individuals will, *inter alia*, be presumed to be acting in concert:

- (a) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trust;

---

## LETTER TO SHAREHOLDERS

---

- (b) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to his instructions, companies controlled by any of the above persons, and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders of the Company, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

### 2.10.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its issued Shares, the voting rights of such Directors and the persons acting in concert with them would increase to 30% or more, or in the event that such Directors and the persons acting in concert with them hold between 30% and 50% of the Company's voting rights, the voting rights of such Directors and the persons acting in concert with them would increase by more than 1% in any period of 6 months.

---

## LETTER TO SHAREHOLDERS

---

Under Appendix 2 of the Take-over Code, a Shareholder who is not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholders holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholders would increase by more than 1% in any period of 6 months. Such a Shareholder need not abstain from voting in respect of the Ordinary Resolution authorising the Share Purchase Mandate.

**Shareholders are advised to consult their professional advisers and/or the Securities Industry Council ("SIC") at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any Share purchases by the Company.**

Mr Yap Kian Peng ("**Mr Yap**"), the Executive Deputy Chairman and Chief Executive Officer of the Company, is involved in a number of business ventures with Mr Cheng Kwee Kiang ("**Mr Cheng**"). Mr Yap participated in the negotiations of Mr Cheng's acquisition of an initial stake in the Company of approximately 23% of the total Shares in December 2010 ("**Initial Acquisition**") and was recommended by Mr Cheng to join the Board shortly after the Initial Acquisition. Subsequent to the Initial Acquisition, Mr Yap also participated in the negotiations of some of the further acquisitions of Shares by Mr Cheng. In view of the above, Mr Yap and Mr Cheng are deemed under the Take-over Code to be parties acting in concert with each other.

Based on 251,043,579 Shares in issue as at the Latest Practicable Date, the exercise in full of the Share Purchase Mandate would result in the purchase or acquisition of 25,104,000 Shares and consequently the aggregate shareholding of Mr Cheng and Mr Yap would increase approximately from 44.307% to 49.230%.

Accordingly, under the Take-over Code, Mr Yap and his concert party Mr Cheng would, unless exempted, become obliged to make a general offer under the Take-over Code for the Shares not owned by them, if as a result of the exercise of the Share Purchase Mandate, their interest in the voting rights of the Company increase by more than 1% within a 6 month period.

Appendix 2(3)(a) of the Take-over Code provides, *inter alia*, that for a market acquisition under section 76E of the Companies Act or an off-market acquisition on an equal access scheme under section 76C of the Companies Act by a listed company, directors and persons acting in concert with them will be exempted from the requirement to make an offer under Rule 14, subject to the following conditions:

- (a) the circular to shareholders on the resolution to authorise a buy-back to contain advice to the effect that by voting for the buy-back resolution, shareholders are waiving their right to a general offer at the required price (as defined hereinafter) from directors and parties acting in concert with them who, as a result of the Company buying back its Shares, would increase their voting rights to 30% or more, or, if they together hold between 30% and 50% of the Company's voting rights, would increase their voting rights by more than 1% in any period of 6 months; and the names such directors and persons acting in concert with them, their voting rights at the time of the resolution and after the proposed buy-back to be disclosed in the same circular;

---

## LETTER TO SHAREHOLDERS

---

- (b) the resolution to authorise a share buy-back to be approved by a majority of those shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the share buy-back;
- (c) directors and/or persons acting in concert with them to abstain from voting for and/or recommending shareholders to vote in favour of the resolution to authorise the share buy-back;
- (d) within 7 days after the passing of the resolution to authorise a buy-back, each of the directors to submit to the SIC a duly signed form as prescribed by the SIC;
- (e) directors and/or persons acting in concert with them not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buy-back proposal is imminent and the earlier of:
  - (i) the date on which the authority of the share buy-back expires; and
  - (ii) the date on which the Company announces it has bought back such number of Shares as authorised by shareholders at the latest general meeting or it has decided to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with the buy-back, would cause their aggregate voting rights to increase to 30% or more; and

- (f) directors and/or persons acting in concert with them, together holding between 30% and 50% of the company's voting rights, not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buy-back proposal is imminent and the earlier of:
  - (i) the date on which the authority of the share buy-back expires; and
  - (ii) the date on which the Company announces it has bought back such number of Shares as authorised by shareholders at the latest general meeting or it has decided to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with the buy-back, would cause their aggregate voting rights to increase by more than 1% in the preceding 6 months.

It follows that where the aggregate voting rights held by a director and persons acting in concert with him increase by more than 1% solely as a result of the share buy-back and none of them has acquired any shares during the Relevant Period defined above, then such director and/or persons acting in concert with him would be eligible for SIC's exemption from the requirement to make a general offer under Rule 14, or where such exemption had been granted, would continue to enjoy the exemption.

---

## LETTER TO SHAREHOLDERS

---

Therefore, subject to the above conditions as stipulated in Appendix 2(3)(a) of the Take-over Code, Mr Yap and his concert party Mr Cheng will be exempted under Appendix 2 from the requirement to make a general offer under Rule 14 of the Take-over Code in the event that their aggregate percentage of total voting rights in the Company increase by more than one per cent. (1%) in any six (6) month period solely as a result of the Company buying back its Shares under the Share Purchase Mandate.

If the Company ceases to buy back its Shares under the Share Purchase Mandate and the increase in the aggregate percentage of total voting rights held by Mr Yap and his concert party Mr Cheng at such time is less than one per cent. (1%) in any six (6) month period, the Mr Yap and his concert party Mr Cheng may acquire further voting rights in the Company. However, any increase in their percentage of voting rights as a result of the Company's Share purchases will be taken into account together with any Company Shares acquired by Mr Yap and his concert party Mr Cheng (by whatever means) in determining whether they have increased their aggregate voting rights in the Company by more than one per cent. (1%) in any six (6) month period.

**Shareholders should therefore note that by voting in favour of the resolution to approve the Share Purchase Mandate, they will be waiving their rights to a general offer at the required price by Mr Yap and his concert party Mr Cheng in the circumstances set out above.**

**"Required price"** means in relation to the offer required to be made under the provisions of Rule 14.1 of the Take-over Code, the highest of the highest price paid by the offerers and/or person(s) acting in concert with them for the Company's Shares (i) during the offer period and within the preceding six (6) months; (ii) acquired through the exercise of instruments convertible into securities which carry voting rights within six (6) months of the offer and during the offer period; or (iii) acquire through the exercise of rights to subscribe for, and options in respect of, securities which carry voting rights within six (6) months of the offer or during the offer period; or at such price as determined by SIC under 14.3 of the Take-over Code.

Save as disclosed, the Directors confirm that they are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Purchase Mandate.

**Shareholders are advised to consult their professional advisers and/or the SIC at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any Share purchases by the Company.**
